

This questionnaire is prepared for the benefit of YOU, the potential owner, and for the Puddleduck PUPPY that you are considering to become a part of your family.

This questionnaire will walk you through the process of considering whether you are ready to take on the responsibility of a Puddleduck puppy. Please answer all the questions.

The right puppy and the correct placement of each puppy is made by putting the many needs of both the puppy and its new owner into perspective, **before** a decision is made.

We know you will agree that the puppy's welfare must be our top priority.
